CS/NO 18418 BLUE EAGLE REGULATED NON-WDT SACCO SAVINGS AND CREDIT CO-OPERATIVE SOCIETY LTD. ANNUAL REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DEC 2021

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF BLUE EAGLE REGULATED NON DTS SACCO SAVINGS AND CREDIT CO-OPERATIVE SOCIETY LTD.

Opinion.

We have audited the accompanying financial statements of BLUE EAGLE REGULATED NON DTS SACCO Society Limited, which comprise the statement of financial position as at 31 December 2021, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Society as at 31 December 2021 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Kenya Co-operative Societies Act.

Key Audit Matter.

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Management Committee's responsibility for the financial statements

The management committee of the Society are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and in the manner required by the Co-operative Act, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

REPORT ON OTHER LEGAL REQUIREMENTS.

As required by the Kenyan cooperative societies Act we report to you that the financial statements are in agreement with the books kept by the society and that, based on our audit, nothing has come to our attention that causes us to believe that the society's business has not been conducted:

(A) In accordance with the provisions of the Cooperative Societies Act.

(B)In accordance with the Co-operatives objectives, by-laws and any other resolutions made by the Society at a general meeting.
